

# Zebra ZSB Desktop Printer

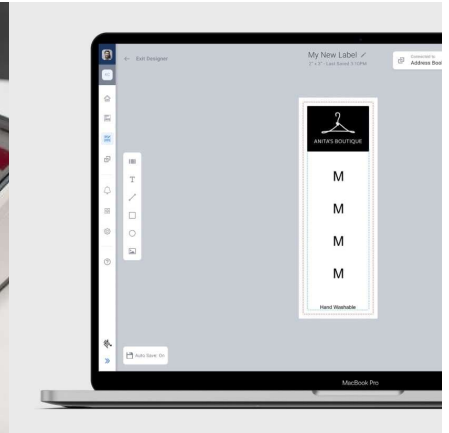

*Affordable Small and Home Based Business Label Printers*

For growing small and home-based businesses that want proven, innovative and stress-free label printing, the Zebra ZSB Series label printer is the solution. Offering an intuitive, guided mobile set-up as well as cloud-based, feature-rich software, small business professionals can effortlessly create, print, and manage their shipping and labeling activities with the ZSB Series printers. Available in a 2-inch model and a 4-inch model, these direct thermal printers are easy to load using eco-friendly, recyclable label cartridges that are virtually "unjammable" and support a range of applications from product branding, to inventory tracking with barcodes, to adding personal touches. The sky's the limit with the ZSB Series.

**Designed For:**

•Small Businesses •Home Businesses •Point of Sale
