

Healthcare Solutions

IBC has been a trusted [Healthcare Solution](#) partner providing innovative identification, labeling, tracking, and technology solutions to healthcare organizations across North America for over 30 years. As a full-service solutions provider, IBC helps hospitals, laboratories, clinics, long-term care facilities, and other healthcare environments improve patient safety, operational efficiency, regulatory compliance, and asset visibility. Our comprehensive portfolio includes laboratory and medical labeling solutions, patient wristbands, RFID technology, barcode printers and scanners, card and ID printers, receiving kiosk systems, touchscreen monitors, PCs, tablets, servers, mobile charging stations, asset labels, blood temperature and environmental indicators, electronic smart sensors, and a wide range of healthcare supplies and support services. By combining industry-leading products with expert consultation, implementation, and ongoing support, IBC delivers reliable, customized solutions that streamline workflows, enhance traceability, and empower healthcare professionals to focus on delivering exceptional patient care.
